**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I came from HongKong, 100 GB home fiber internet is only HK\$100.00(US\$13.00) per month!
Compare to USa, I cant believe we only have two internet providers ATT n Comcast , with crazy
high price! Is this our United States?

ATT providing suck service with torture speed. Comcast provide real high speed but unreasonable
high price!
